Primary Schools

Motionhouse has an outstanding reputation for delivering high quality, inspiring dance education in schools since 1988.

Our workshops for primary schools are stimulating, engaging and can be tailored to the individual needs of your school. Suitable for pupils from Foundation Stage upwards to Year 6, we offer a range of ready-made or customised workshops that can be linked in to any area of the curriculum or can respond to a specific project idea/theme or stimulus. There is a great deal of evidence supporting dance, in children's physical, emotional and intellectual development and dance offers a range of social benefits alongside being an effective and enjoyable way for students to learn. We can deliver over a half term, full term or across a full year.

Our enriching sessions and projects can be co-designed with you in identifying your specific needs and requirements to create rewarding outcomes for pupils and teachers. Lively and energetic, our approach makes us the perfect choice for primary aged students!

Inspire & Move: A Performance & Workshop Package

This popular package offers a stimulating and aspirational experience for young people, combining a performance by our professional company in your school [perhaps in your school hall or on the playground] followed by a practical workshop.

Cross Curricular Learning

We can develop projects based on any area of the curriculum, which can include cross-curricular learning. We can deliver one or all of the following:-

- curriculum topics
- learning themes
- partial or full schemes of work based on learning outcomes
- introduction to movement skills
- progressive skills-building in dance technique
- introduction to choreography and dance composition

All of our workshops are delivered by professional dance artists with a wealth of teaching experience. All teachers have undergone an enhanced DBS check.

Artsmark

We offer opportunities for schools aiming to obtain Artsmark status at any level or who currently hold the award. Please contact us to discuss how we can work together.

What did you like best about the workshop?
"Giving the students the chance to 'play' with movement and push them into new ideas."
