

## Motionhouse Secondary & Post 16

Motionhouse has an outstanding reputation for delivering high quality, inspiring dance education and participatory work in schools since 1988.

Whether your students are working towards GCSE, BTEC, or A Level, or you're simply looking for enrichment/extra-curricular activities, Motionhouse has range of workshops and exciting opportunities on offer for students to learn from a professional touring company.

We can work with students in Key Stages 3, 4 & 5 to deliver a wide range of creative learning activity, including but not limited to:

- Exploring themes and repertoire from current touring productions
- Contemporary, contact work, floorwork, partnering, lifting and acrobatic technique
- Choreolab or choreographic intensives
- Develop Motionhouse themed schemes of work, BTEC or RSL performance/technique modules or meet BTEC Tech Awards (Levels 1-3) component criteria ensuring the best possible grades for your students
- Support in Bronze, Silver or Gold Arts Award
- Performance intensives/residencies – usually over 3-5 days to create a dance performance based on a piece of Motionhouse repertoire. Previous projects have led to performances in schools, theatres, festivals, and at special events
- Alternatively, we offer Experience Days where you can visit us in our beautiful rehearsal and creation space in Leamington Spa. Your students can enjoy a "day in the life of dancer" and take part in company class, watch rehearsals, learn something new and get a chance to speak to the dancers in a Q&A session.

For students looking to pursue dance at a higher level, gain experience prior to auditions and/or industry insights; we have a range of [training opportunities](#) and workshops, as well as being able to offer dance and office-based [work placements](#) for young people looking to gain experience in the industry.

Have you seen the education packs in our [online shop](#)?

We have had our works featured on past GCSE Dance programmes of study and we have since developed a range of educational resources which include audio soundtracks, full-length films/sections of the work by chapter (DVD format), lesson ideas and teaching points for use in school (fully adaptable).

**What did you like best about the workshop?  
"Giving the students the chance to 'play' with  
movement and push them into new ideas."  
Henley in Arden School**
