Secondary Schools

Motionhouse has an outstanding reputation for delivering high quality, inspiring dance education in schools since 1988.

Charge is performance about energy in the human body, which creates a wide scope of educational areas to draw on as resources. From poetry analysis to animal classification to renewable energy; the broad scope of this content makes it a valuable teaching tool.

Inside this Education Pack you will find an abundance of interactive high quality teaching resources that will aid in the teaching of:

Example Workshops

- Dance sessions exploring material from one of Motionhouse's touring productions
- Skills development and exploration of contact work and partnering
- Contemporary techniques
- Using dance in PE (dance content to support the National Curriculum)
- Performance/Workshop Package – students take part in a workshop with our dancers and watch a Motionhouse performance in your school
- 'Curtain Raiser' performance projects – a series of workshops working towards a short performance before one of our shows

This list is not exhaustive, if you have ideas for a project, please contact us to discuss how we can work together.

GCSE

We offer a range of workshops which complement and assist the GCSE Dance qualification/syllabus. These include taster dance sessions to encourage students to choose dance at GCSE level, technique workshops and choreographic development sessions to develop choreographic skills (useful for GCSE Unit 4). Sessions can also be used for GCSE Unit 3 (Performance in a duo/group).

Until July 2017 Motionhouse's Perfect is a set piece on the curriculum, we offer a comprehensive learning package to support students in their understanding of the production. Contact us to find out more.

Artsmark

We offer opportunities for schools aiming to obtain Artsmark status or who currently hold the award. Please

What did you like best about the workshop? "Giving the students the chance to 'play' with movement and push them into new ideas."
